ENTRY FEES \$150.00 (VST) or \$125.00 (TDX) includes AKC recording fee).  
Send a separate check for each entry (for 2 different dogs). Make checks and  
money orders payable (in U.S. Funds) to the Buckeye Tracking Club and mail  
to the Test Secretary. You will be notified by phone or email within 24 hours of  
the draw. Please include either or both so that I can contact you. Entries will  
not be accepted without fees. Be sure to use an official AKC form or photocopy  
both sides. Don't forget to sign it. Please do not send an entry that requires a  
signature for acceptance...I am not always at home!

DRAWING OF ENTRIES - Entries shall be accepted up until the official closing  
date, even though the advertised limits have been reached. Entries will be  
drawn by the Test Secretary on **Thursday November 1, 2018 at 7pm** at her  
home. The drawing shall be completely random among all entries received,  
whichever test is entered. Preference is given in the VST test to those dogs  
who have not yet earned a VST and in the TDX test to those who have not  
earned a TDX . When the advertised limit has been drawn, all remaining  
entries, subject to the same preferences set forth above, shall be assigned a  
position on the Alternate List corresponding to the order in which they were  
drawn.

ENTRY REFUNDS: Entries who pass an AKC approved test after the closing  
date of this test may withdraw from this test with full refund provided the test  
secretary is notified before the test date and there is an alternate to replace the  
entry. Those who decline to be placed on the alternate list may choose to have  
their check returned or destroyed. Any dog who makes the draw but cannot run  
may also have their fees returned only if an alternate competes in their place.

ENTRY FEES SHALL NOT BE REFUNDED in the event that a dog is absent,  
disqualified, excused by a Veterinarian or Judge, or barred from competition by  
action of the Show Committee. Exhibitors are governed by rules and  
regulations of the AKC and local ordinances. The well-being of the dogs,  
exhibitors and spectators is of paramount importance, and in the event it is  
necessary to cancel or stop the event before completion, no refund of entry will  
be made.

DRAWING FOR TRACKS: The Judges will assemble the participants at the  
Preschool parking lot for a drawing by lot for the track number of each  
participant. The order in which tracks are run and the number of each track shall  
be determined by the Tracking Judges. Judging will begin as soon as possible  
after the draws. We will email you the draw time in the Judging Program.

ALTERNATE ENTRIES: In the event an accepted entry is absent on the day of  
the test, the Test Secretary will determine if any alternates are present.  
Alternates will draw for available tracks based on their place on the alternate  
list. If no alternates are present the test secretary will draw for the absent dog,  
who may run the track if it arrives before the track is scheduled to be run. If it  
does not arrive by then it will be marked absent.

PRIZES - Each passing team shall receive a memento of their achievement

INCIDENTALS: Please join us for lunch following the test. There will be a  
portapotty at the site. The TDX cover varies from mowed grass to waist high  
grass and weeds. There are ponds and a few streams, pine forest, an orchard  
and woods. The VST cover is mowed grass, asphalt parking lots, buildings on  
the campus, woods and a pond. This is a working convent and school and we  
are very lucky to have these grounds. You may have an inadvertent cross  
track by an older strolling nun. According to AKC regulations, you must keep  
your dogs on leash at all times and, of course, **please pick up your poop!** We  
hope to have continued access to this lovely land.
